

His Name Is Jesus

At the mention of his name
Walls crumble, lives are changed
In the midst of life's temptations
He's there to see us through
This man of which I speak
Is here today for you and me
His name is Jesus
But you can call him as you please

They call him Immanuel
The King of all Kings
He's the son of The Father
The Prince of Peace
They call him Hosanna
The Lighthouse at Sea
The Rock of Ages
He's a friend to me

Many times I've called his name
Prayed for forgiveness when used in vain
Oh, but there's a peace in knowing that
His forgiveness stays the same
Most famous in history
Things he spoke, the whole world still reads
His name is Jesus
But you can call him as you please

They call him Immanuel
The King of all Kings
He's the son of The Father
The Prince of Peace
They call him Hosanna

The Lighthouse at Sea
The Rock of Ages
And he's a friend to me

They call him Hosana
The Lighthouse at Sea
The Rock of Ages
But he's a friend to me
The Rock of Ages
But he's a friend to me
